**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

25-39 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

I take the bus regularly, am a ratepayer and community service card holder. I would prefer to pay a fair \$2 fee than see rates increase again. Especially given the 'targeted' funding is not particularly targeted. Plenty of under 25 and students have wealthy parents paying to top up their kids metrocards.

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

No

---

**Would you support a levy to accelerate action in response to climate change?**

No
