Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Very beneficial for a lot of students like myself. A lot of us don't have cars and sometimes rely on busses to get on locations where it is too far to walk. Having free bus fares allows us to explore more of this beautiful city as well as saving money from our massive student loan debt.

Hold fundraisers and raise awareness to the situation
