Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

because gas prices went up already and the cost of living would be higher too, we don't want bus fares to go up as well and sometimes people actually prefer bussing than using their car (as to what i said about gas prices)
