Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

Yes

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I feel anyone who is predominantly unpaid (kids, uni students, old people) shouldn't have to pay \$5-\$10 per day

Any other comments on bus fares?

its expensive as and doesnt help busses suck, id bus if it saved money but it doesn't, and id bus if it saved time but it also doesn't. currently bussing is too inefficient and expensive for me to consider it.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

improved public transport, eg free green busses that have more routes.

Any other comments on future funding for responding to climate change?

enforce diesel tax, people skip paying it so yeah grab money from them

Where did you hear about the consultation?
