Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I take the bus to go to uni five days a week. I also take the bus to go to work two days a week. If you take back and forth for that, I'm paying roughly \$40 a week. It would help me a lot if I can save that.

Any other comments on bus fares?

Thank you for giving us options! And for helping us.

Is borrowing and repaying through general rates the right approach for this regionally significant event?
