Are you submitting on be	
No, I'm submitting as an ir	ndividual
Which age category are yo	ou in?

25-39 years old

which bus fare structure option would you like to see trialled? Iption 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3 Bell us more about why you support the selected bus fare option. Iption 2 seems to have the largest proportion of change to cost to the rate payer Is borrowing and repaying through general rates the right approach for this regionally significant went? On't know Which option for distribution of rates in Ashburton River rating district do you support? don't have a preference Vould you support a levy to accelerate action in response to climate change?	o you wish to speak to your submission at a Council hearing?
ell us more about why you support the selected bus fare option. ption 2 seems to have the largest proportion of change to cost to the rate payer borrowing and repaying through general rates the right approach for this regionally significant vent? on't know Vhich option for distribution of rates in Ashburton River rating district do you support? don't have a preference	0
