No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I believe that Option 2 is preferable, as it would encourage new user groups to take the bus. Currently, busses are dominated by the groups which are proposed to be free under Option 1. What I am saying is, these groups are already using the bus. Wouldn't it be preferable to encourage commuters to take the bus as well through Option 2?

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Would you support a levy to accelerate action in response to climate change?

Yes
