**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 3: Tertiary student concession

---

**Tell us more about why you support the selected bus fare option.**

Help relieve cost for students

---

**Any other comments on bus fares?**

No

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**How else might we pay for our share of this work?**

Take it from operating due to failure of preventative maintenance in past years and allow dredging permits without so much red tape

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Out of operating part of your budget r&m process combined with some levy perhaps on companies that will utilise gravel.

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Any other comments on flood protection in Ashburton?**

This is a situation created by ECan that could have been avoided if you had consulted local catchment and kept up essential dredging and gravel extraction practices

---

**Would you support a levy to accelerate action in response to climate change?**

No

---

**Any other comments on future funding for responding to climate change?**

Perhaps funded by a more efficiently run organisation paying less excessive salaries

---

**Any other comments on Environment Canterbury's draft Annual Plan or other matters?**

Prioritise key delivery areas less on promo and less red tape ie be more efficient

---

**Where did you hear about the consultation?**

Social media (Facebook, Instagram)
