No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I think if you offer all children free the "driver's" will automatically reduce as quicker, cheaper and more convenient for them

Any other comments on bus fares?

Try all students tertiary, secondary and primary free wait on the CSC for another year as cost less and I believe will have a significant impact.
