Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I support Option 1 as I know alot of teens and young adults use buses to get to school/work/use it for their everyday travel because cars and gas are incredibly expensive. Having these free prices would be beneficial for this age group and provide them with that little bit extra.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Yes
