No

Which bus fare structure option would you like to see trialled?

I don't have a preference

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

No Answer

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

I completely disagree with pouring money into the UN's 'climate change' agenda. Do not waste my extremely hard-earned money on that.
