Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Less people driving cars (emissions), more efficient public transport.

Any other comments on bus fares?

Give people an "cheap annual pass" (unlimited rides) option to commit to public transport.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

No Answer

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Increase targeted rates, save/invest \$ for future events

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Any other comments on future funding for responding to climate change?

Science based approach (return on investment based on emissions reduction + biodiversity/resilience)

Where did you hear about the consultation?
