No, I'm submitting as an individual

---

**Which age category are you in?**

15– 24 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

All public transport should be free because of the tangible benefits it provides for both the environment and the economy as an alternative to wasteful private vehicle usage

---

**Any other comments on bus fares?**

Currently too high no matter which option passes

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**How else might we pay for our share of this work?**

Central government contributions, increased rates on extractive businesses

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Disaster relief contingency fund

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

More green spaces, alternative transport methods, carbon reduction and green energy projects, transition in agriculture away from intensive farming to sustainable methods

---

**Any other comments on future funding for responding to climate change?**

It needs to happen now not in 5 years

---

**Where did you hear about the consultation?**

Social media (Facebook, Instagram)
