Email address

Suburb

Phillipstown, Christchurch

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

Yes

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

We are in a global climate emergency and decreasing the need for individual transport is super important to minimize our impacts. It also promotes equity for lower income families who can't afford transport and put them in a financial stump.

Any other comments on bus fares?

Way too expensive currently

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Tax high income earners and have company sponsors

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Sponsors and high income earners

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Net 0, Paris agreement
