Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Because I think free fares would revolutionize and encourage young people to use public transportation more.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

not sure

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

All of it ideally

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

The light rail project? Biodiversity promotion. Making chch more bike friendly etc

Any other comments on future funding for responding to climate change?

maybe community led gardens, eco friendly neighbourhood (i.e 15 min neighbourhood) design. Wider promotion of climate change with community led solutions.

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

n/a
