40-64 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I have chosen Option 1 for its equality, however I am very favourable toward Option 2 due to its simplicity. I would like to see thought into an future option at the completion of this trial that presented a balance of Option 1 (equality) and 2 (simplicity).

Would you support a levy to accelerate action in response to climate change?

Yes
