**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

25-39 years old

**Do you wish to speak to your submission at a Council hearing?**

No

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

**Tell us more about why you support the selected bus fare option.**

Better for the community and society & the climate

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

No

**How else might we pay for our share of this work?**

Localized rate increases for susceptible properties

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Government subsidies. Preemptive remedies such as clearing river deltas of stone buildup

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

Reinstated trams and genuine carbon neutral rapid mass transport- not slow archaic busses

---

**Any other comments on future funding for responding to climate change?**

User pays. Tax heavy industries and regional fuel tax

---

**Any other comments on Environment Canterbury's draft Annual Plan or other matters?**

Disappointing level of proposed rates increases this year, given the huge salary bill for ECAN.

---

**Where did you hear about the consultation?**
