**Suburb**

Belfast, Christchurch

---

**Phone number**

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

65+ years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

It provides the most benefit for those who need it most and for those most likely to use public transport

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

More electric transport . Commuter trains. Tree planting. Solar panels for council flats and better insulation.

---

**Any other comments on future funding for responding to climate change?**

We cannot continue to just patch things up after bad weather events. We need to consider how to make areas more resilient - move away from areas prone to flooding and sea level rise. Do not allow more development in those areas or on good growing land .
