No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

It's way more equitable compared to the other options. Tertiary students are kinda a small part of the population that needs reduced bus fees and if it just focussed on Tertiary students then not as many are able to use the bus!
