No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I'm a student, and without having access to a car, commuting across Christchurch for work or for any other reason can be difficult, particularly in poor weather. Having free fares would reduce the amount I have to spend on transport every week, and would allow me more flexibility in transport.
