---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

This would promote independence with individuals 14 years and over. While the bus fare costs money, it's easier for those 14 years and over to just get a ride with someone else and save money. It would also promote independence for those with special needs as it wouldn't cost anything to practice this form of transport, something that they need to do over and over to become comfortable with taking a bus route, even though it may be a short route.
