Lyttelton, Lyttelton

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It gives savings to people who need it most. Ultimately I would like to see you public transport to be fare-free, to encourage more people to use it and reduce climate impacts of transport.

Any other comments on bus fares?

No.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Not sure

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

By a central government funded climate emergencies fund.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

No

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Flood mitigation, support for workers transitioning from carbon intensive industries, adapting public buildings, fare-free public transport for all.

Any other comments on future funding for responding to climate change?

No.

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

No.
