Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I believe that this would help encourage particularly young adults and students to use busses more often, and is important to also include those who are limited in mobility with having easier access to transport services across Christchurch.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Continuing to improve the transport network across Christchurch in regards to mass transport to help reduce emissions. Continuing to improve drainage systems across greater Christchurch. Continuing to create more cycle paths across Christchurch. Continuing to create more greenspace throughout central Christchurch.

Where did you hear about the consultation?

Other (please specify) - University of Canterbury
