| Which has fare structure ention would you like to see trialled?   |
| Which bus fare structure option would you like to see trialled?  Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3 |

| Tell us more about why you support the selected bus fare option.  |

Because I think it's a good balance of everything. The fares aren't too much meaning the number of people taking the bus will increase by a bit, but rates aren't too much either so I think it's a good balance

of everything.
