No, I'm submitting as an individual

Which age category are you in?

25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

As a community services card holder this would make a huge difference to my daily living. Instead of having to pay huge amounts for transport I can make better use of the money saved for things I don't currently get enough of like groceries or clothes that fit.

Any other comments on bus fares?

It would be great to see a mixture of option 1 and 2, that way everyone can benefit :)

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Gambling money
