**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

**Tell us more about why you support the selected bus fare option.**

under 25s, students, Total Mobility and Community Services card holders generally have less money than many others. They are also likely to be users of the service. So in lieu of a "free public transport for all option" this gets my vote.
