No, I'm submitting as an individual

25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I currently do not use the bus regularly but may consider if cheaper for a family outing to town.

Any other comments on bus fares?

It would be good to have a reduced/free fare to transport us through the tunnel with a bike to the gondola so we could bike to work. Currently the bus fare is a major deterrent for me as it becomes more expensive than alternative options such as driving.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know
