**Which bus fare structure option would you like to see trialled?**

I don't have a preference

**Tell us more about why you support the selected bus fare option.**

We prefer this option as we are on a pension and don't want to pay increased rates . We use buses occasionally and we don't mind paying when we cant use our Gold card , but we don't see why we should pay more rates when it should be "User Pay" if you are using the buses frequently
