First name

Malcolm

Last name

Finlayson

Email address

Suburb

Woolston, Christchurch

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I believe we need to support and encourage the use of public transport, to both reduce the amount of fossil fuels used in transport, but also to help cultivate the social element of community moving collective though out city. I feel this option provides more all around support to all members of society.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Do not have enough knowledge for an informed opinion

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

Do not have enough knowledge for an informed opinion

Would you support a levy to accelerate action in response to climate change?

Yes

Any other comments on future funding for responding to climate change?
