Spencerville Residents Association on behalf of their local community would like to request having a bus service reinstated. We understand that this was cancelled for a reason, so therefore suggest:- 1. Using a smaller van size bus; 2. A 2 or 3 times a day service; 3. Connecting us to the palms for further bus route options. We hope the above options might be more economic and therefore be considered, as we believe our older community and also our teenage children would greatly benefit in this service.
