15– 24 years old

No

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Travelling to University by bus is very handy, but in it's current state too expensive for me to consider using it. I just end up staying at home all week, a free bus fare may motivate me to move around a bit more.

I don't have a preference

Yes

Native forest planting, renewable energy projects outside of NZ in countries that are larger contributors to climate change.

**Any other comments on future funding for responding to climate change?**

Any means necessary
