Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Public transport is one of the ways we can reduce greenhouse gas emissions. This option also helps those who most need it.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Free public transport, electric buses. Pest management, to increase carbon capture as well as benefiting biodiversity, e.g. see <https://www.doc.govt.nz/globalassets/documents/conservation/threats-and-impacts/animal-pests/wild-animal-control-emissions-management.pdf> Regional planning to support lower greenhouse gas emissions. Protection of wetlands for biodiversity and as carbon sinks.

Where did you hear about the consultation?
