Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Gives discounts to those who would benefit most and fantastic bold step towards tackling climate change. We need to make big changes to make a big difference.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Rad Bikes! And any other community groups already doing great work that enables tangible change.

Any other comments on future funding for responding to climate change?

Be brave! If we support projects that tackle climate change, we will make our future so much better :)

Where did you hear about the consultation?
