Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Lowering the barrier to using public transport is essential as part of a wise transport plan.

Any other comments on bus fares?

I would prefer an option of all fares being dropped for everyone, so the bus was the same option for all workers. To only single out the low paid is to keep stigmatising public transport, when it is a useful option for all.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

yes

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

more environmentally appropriate public transport. Consideration of a regional fuel tax for fossil fuels.
Better options for multimodal transport.
