**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

65+ years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Any other comments on bus fares?**

why should a sth canterbury farm be rated to subsidise bus fares in Chch?

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

General rate

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

---

**Would you support a levy to accelerate action in response to climate change?**

No

---

**Any other comments on Environment Canterbury's draft Annual Plan or other matters?**

The rate increase proposed is irresponsible. This organisation needs leadership that understands they have no mandate to continually dip deeper into someone else's pocket. The upcoming election will deliver that message to elected councillors.
