Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I believe anything we can do to encourage especially younger people to take public transportation and reduce emissions is a good thing. Becoming a habit and the norm early on and continuing on til 25 by which time most individuals will have formed their own independent ideas of the world is important as it will hopefully lead to a continued use of the public transport system.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

CO2 sequestration, Public transportation upgrades and more car share schemes

Where did you hear about the consultation?
