No

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

I think it would increase usage and create a culture of using public transport especially if children/students can use for free. As they grow up it will just be a 'way of life'.

Yes

Education, promotion/development of achievable/doable sustainability in family homes

It's urgent
