Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

i know a lot of people who don't use the bus because of the price. I personally don't use the bus because i find that \$2.40 is a lot, especially when i can save that money by biking, but biking to Christchurch from places like darfield and west melton are not possible in desirable time frames
