Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Good way to expose younger people to the benefits of public transport.

Any other comments on bus fares?

On considering ECAN's recent declaration of a Climate Emergency, the most appropriate response is to make ALL bus fares free.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Funding to assist with transitioning from coal use in the region. Assisting with transition to electric vehicles. Campaign to educate about the idiocy of using outdoor space heaters during a Climate Emergency. Followed by a ban on their sale and use in the region.

Any other comments on future funding for responding to climate change?

The need to fund repairs from damage caused by climate induced flooding must not cause any reduction in spending to reduce climate change causing activities.

Where did you hear about the consultation?
