No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It will be great for me to be able to use the bus more and not have to pay so much. Better for the environment than getting my parents to drop me off at school and my friends place.

Any other comments on bus fares?

Be good if my parents could get free bus fares too. Then we would all use the bus more.
