Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I'm interested in the emissions reductions and increasing public transportation through an increase in usage, and and willing to pay extra in rates to achieve this.

Any other comments on bus fares?

No Answer

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

No Answer

Any other comments on future funding for responding to climate change?

I'm happy to pay increased rates to fund our response to climate change, as long as it is well researched work. I suspect that some of it will provide us with a nicer region to live in, but even if it doesn't, I want to help.
