No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I travel between Riccarton and Lincoln often, so a flat \$2 fare would mean I would be more likely to catch the bus than drive my car. I also think you'd get a lot more people using the bus service.

Is borrowing and repaying through general rates the right approach for this regionally significant event?
