Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The more we can encourage bussing the better! Keeps the roads clearer for everyone

Any other comments on bus fares?

Please make sure that doing this doesn't increase fares for everyone else.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

By local businesses with high emissions. Climate change is causing these events!

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Bus fares, cycle lanes, building more public green spaces and playgrounds. Let's get kids outdoors more!

Where did you hear about the consultation?
