Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It will make public transport more frequent for everyone, and will make a big difference to those who need it best.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

through rates and we need to tax high emitting businesses and vehicles driving climate change

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

wetland restoration, biodiversity, more renewable energy, better public transport and cycleways, restoration of waterways

Any other comments on future funding for responding to climate change?

Do what is necessary, not just what is convenient. Climate change is our biggest challenge.

Where did you hear about the consultation?
