No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Removing the cost of transport for youth and students studying in Christchurch which create habitual patterns of public transport. This will continue through to adulthood and eventually result in a community that no longer relies on private vehicles to move through the city. Encouraging our tamariki and rangatahi to use public transport, through the removal of fares, will ultimately led to reduced emissions in the long term

Any other comments on bus fares?

Collaboration with University of Canterbury to attach the metro card to our University IDs.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know
