Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

This is on behalf of my son. I wish to add support to the proposal for free travel for Total Mobility Card Holders. I do work full time, but due to an accident I am only on Minimum Wages. This would give me more affordable independence to get out to see my parents in North Canterbury more often and be able to do more with my small amount of disposable income- like supporting local business .
