Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It's the right thing to do.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Businesses & organisations that contribute the most to climate change should be levied for mitigation and adaption measures. There should also be a targeted fuel tax.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Better and more accessible public transport. Smaller more nimble options to get people using it.

Any other comments on future funding for responding to climate change?

Please make sure that ratepayers understand the financial cost of not acting quickly enough on Climate Change.
