Lyttelton, Lyttelton

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

Yes

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

We need to get through the lyttelton tunnel for less than 4 dollars should be 1 dollar and so many people would use it.

Any other comments on bus fares?

Lyttelton people would like to acknowledge the importance of the service that you already run in lyttelton and we believe that a special getting through the tunnel price could make this end of your trip much more viable. Thank you

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

No Answer

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Locally supported initiatives

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Getting lyttelton people though the tunnel would help combat climate change

Where did you hear about the consultation?
