

## **Independent Auditor's Report**

# To the readers of Canterbury Regional Council's annual report for the year ended 30 June 2022

The Auditor-General is the auditor of Canterbury Regional Council (the Regional Council). The Auditor-General has appointed me, Yvonne Yang, using the staff and resources of Audit New Zealand, to report on the information in the Regional Council's annual report that we are required to audit under the Local Government Act 2002 (the Act). We refer to this information as "the audited information" in our report.

We are also required to report on:

- whether the Regional Council has complied with the requirements of schedule 10 of the Act that apply to the annual report; and
- the completeness and accuracy of the Regional Council's disclosures about its performance against benchmarks that are required by the Local Government (Financial Reporting and Prudence) Regulations 2014.

We refer to this information as "the disclosure requirements" in our report.

We completed our work on 19 December 2022. This is the date on which we give our report.

#### Opinion on the audited information

In our opinion:

- the financial statements on pages 62 to 113:
  - o present fairly, in all material respects:
    - the Regional Council's financial position as at 30 June 2022; and
    - the results of its operations and cash flows for the year ended on that date.
  - comply with generally accepted accounting practice in New Zealand in accordance with Public Benefit Entity Reporting Standards; and
- the funding impact statement on page 124, presents fairly, in all material respects, the amount of funds produced from each source of funding and how the funds were applied as compared to the information included in the Regional Council's long-term plan and annual plan;
- the statement of service performance (called the activity reports by portfolio) on pages 11 to 55:

- presents fairly, in all material respects, the Regional Council's levels of service for each group of activities for the year ended 30 June 2022, including:
  - the levels of service achieved compared with the intended levels of service and whether any intended changes to levels of service were achieved; and
  - the reasons for any significant variation between the levels of service achieved and the intended levels of service.
- o complies with generally accepted accounting practice in New Zealand; and
- the statement about capital expenditure for each group of activities on pages 125 to 130, presents fairly, in all material respects, the actual capital expenditure as compared to the budgeted capital expenditure included in the Regional Council's long-term plan; and
- the funding impact statement for each group of activities on pages 125 to 130, presents fairly, in all material respects, the amount of funds produced from each source of funding and how the funds were applied as compared to the information included in the Regional Council's long-term plan.

## Report on the disclosure requirements

We report that the Regional Council has:

- complied with the requirements of schedule 10 of the Act that apply to the annual report;
- made the disclosures about performance against benchmarks as required by the Local
  Government (Financial Reporting and Prudence Regulations 2014) on pages 114 to 118,
  which represent a complete list of required disclosures and accurately reflects the
  information drawn from the Regional Council's audited information and, where applicable,
  the Regional Council's long-term plan and annual plans.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Council and our responsibilities relating to the audited information, we comment on other information, and we explain our independence.

#### Basis for our opinion on the audited information

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. We describe our responsibilities under those standards further in the "Responsibilities of the auditor for the audited information" section of this report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the audited information.

## Responsibilities of the Council for the audited information

The Council is responsible for meeting all legal requirements that apply to its annual report.

The Council's responsibilities arise under the Local Government Act 2002 and the Local Government (Financial Reporting and Prudence) Regulations 2014.

The Council is responsible for such internal control as it determines is necessary to enable it to prepare the information we audit that is free from material misstatement, whether due to fraud or error.

In preparing the information we audit, the Council is responsible for assessing its ability to continue as a going concern. The Council is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless there is an intention to amalgamate or cease all of the functions of the Council or there is no realistic alternative but to do so.

### Responsibilities of the auditor for the audited information

Our objectives are to obtain reasonable assurance about whether the audited information, as a whole, is free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit carried out in accordance with the Auditor General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of this audited information.

For the budget information reported in the audited information, our procedures were limited to checking that the budget information agreed to the Regional Council's long-term plan.

We did not evaluate the security and controls over the electronic publication of the audited information.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

• We identify and assess the risks of material misstatement of the audited information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Regional Council's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Regional Council.
- We determine the appropriateness of the reported intended levels of service in the statement of service provision, as a reasonable basis for assessing the levels of service achieved and reported by the Regional Council.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Regional Council and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast a significant doubt on the Regional Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the audited information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Regional Council to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the audited information, including the disclosures, and whether the audited information represents, where applicable, the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Other information

The Council is responsible for the other information included in the annual report. The other information comprises the information included on pages 1 to 10, 59 to 61, 120 to 121 and 131 but does not include the audited information and the disclosure requirements, and our auditor's report thereon.

Our opinion on the audited information and our report on the disclosure requirements do not cover the other information.

Our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the audited information and the disclosure requirements, or our knowledge obtained during our work, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Independence

We are independent of the Regional Council in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1: International Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board.

In addition to our audit of the audited information and we have reported on the annual reporting certificate to the debenture trustee. This engagement is compatible with the independence requirements.

In addition to our audit of the audited information and our report on the disclosure requirements, we have reported on its annual reporting certificate to the debenture trustee. This engagements are compatible with those independence requirements.

Other than in our capacity as auditor, we have no relationship with, or interests in, the Regional Council.
