Purposes:

- 1) To allow safe set up and operation of the SailGP event; and
- 2) To limit the speed of vessels within the Reserved Areas for safety purposes; and
- 3) To mitigate the safety risks to vessels of potential entanglement with seabed infrastructure; and
- 4) To ensure a clear Access Lane is available to the south of the Event Area for vessels transiting past the Event Area.

Reservations:

- 1) Event Area –

- a. No vessel shall navigate within the Event Area except with the express permission of, and in a manner explicitly approved by, the certificate holder or their delegate or the Harbourmaster or any person authorised to assist the Harbourmaster;
- b. Except for those vessels authorised by the Harbourmaster no vessel shall exceed a ground speed of 5 knots within the Event Area.
- c. Only power-driven vessels may enter the Event Area.
- d. No sails may be hoisted within the Event Area.

2) Pipe and Cable Zone – Except where expressly permitted by the Harbourmaster no vessel nor any structure nor any buoy shall be anchored or secured to the seabed within 30 metres of any cable or pipeline within the indicated Pipe and Cable Zone. For the sake of clarity, this Reservation neither grants nor implies any permission to anchor in way of any cable outside the Pipe and Cable Zone.

3) Access Lane –

- a. Except where otherwise expressly authorised by the Harbourmaster no vessel shall anchor or remain within the Access Lane;
- b. Except for those vessels authorised by the Harbourmaster no vessel shall exceed a ground speed of 5 knots within the Access Lane.
